*in New Brunswick*

Fort Beauséjour National Historic Site of Canada

## Proudly Bringing You Canada At Its Best

Land and culture are woven into the tapestry of Canada's history and the Canadian spirit. The richness of our great country is celebrated in a network of protected places that allow us to understand the land, people and events that shaped Canada.

Some things just can't be replaced and, therefore, your support is vital in protecting the ecological and commemorative integrity of these natural areas and symbols of our past, so they will persist, intact and vibrant, into the future.

Discover for yourself the many wonders, adventures and learning experiences that await you in Canada's national parks, national historic sites, historic canals and national marine conservation areas. Help us keep them healthy and whole — for their sake, for our sake.

## Our Mission

Parks Canada's mission is to ensure that Canada's national parks, national historic sites and related heritage areas are protected and presented for this and future generations.

These nationally significant examples of Canada's natural and cultural heritage reflect Canadian values, identity, and pride.

# WELCOME

Our geography, history and hospitality will create lasting memories for you and your family. Enjoy scenic waterfalls or white sand dunes that glisten in the sun at our National Parks. Relive the past at our national historic sites. Discover coastal vistas rich with history and explore an underground casemate or a restored powder magazine. Whether you're here for a day or a week, this Vacation Planner will help you make the most of your visit.

## Canada's Family of Heritage Treasures

National parks protect significant landscapes that represent Canada's vastness and diversity while national historic sites commemorate our country's evolution, past and present. Together, they form a family of special places, which offer world-class heritage experiences. It's up to all of us to make sure our parks, our waterways, and our cultural treasures will always have a future.

Continue towards downtown. Turn right onto Harriet Street and right again on Joe's Point Road.

## CARLETON MARTELLO TOWER NATIONAL HISTORIC SITE OF CANADA

### *How to find us . . .*

From route 1- take exit 120 (Digby Ferry). The beaver logo signs will guide your way to Market Place, then right at St. John Street, to Dufferin Row, continue on to 454 Whipple Street.

Built for the war of 1812, this circular stone fort served a crucial role in the defence of Saint John and its harbour until 1944. The Tower's unique architecture spans 130 years of coastal defence technology.

### *Making the Most of Your Visit*

- Plan to spend one hour.
- View the audio-visual presentation, explore the barracks and the restored powder magazine.
- Climb to the top of the Tower and admire the spectacular view of Saint John.
- Join us Thursday evenings for a performance of "From Stones to Scones" - reservations required.

## SAINT CROIX ISLAND INTERNATIONAL HISTORIC SITE

In 1604, Pierre Dugua sieur de Mons chose Saint Croix Island for settlement, an event that symbolizes the founding of Acadie. Because of the island's isolation and the unusually harsh winter, nearly half of the colonists succumbed to scurvy. The following year De Mons relocated his colony across the Bay of Fundy to Port Royal in Nova Scotia.

### *Making the Most of Your Visit*

- Plan to spend at least 20 minutes.
- Walk along the path to view the interpretive panels.
- Located at Bayside, this unstaffed site provides a splendid view of the island.

# ROOSEVELT CAMPOBELLO INTERNATIONAL PARK

Enjoy the magic and history of that part of Canada President Franklin D. Roosevelt called his “Beloved Island.” FDR’s magnificent Campobello Island summer home is the centerpiece of the park, preserved as a memorial and as a symbol of the close friendship between Canada and the United States.

## *How to find us:*

Take U.S. 1 to Route 189; drive east to Lubec, and cross the International Bridge. The Park is 2.4 km. (1.5 mi.) from Canadian Customs. In season, take the car ferry from L’Etete and Deer Island, New Brunswick.

## **For Your Convenience**

## *Making the Most of Your Visit*

- Plan to spend an hour touring the Visitor Centre, Roosevelt Cottage, and flower gardens.
- Explore trails, beaches, bogs, forest, and spectacular ocean headlands in our 1,134 hectares (2800-acres).
- Enjoy a picnic with an ocean or lighthouse view.
- Admission is free.

# BOISHÉBERT AND BEAUBEAR ISLAND SHIPBUILDING

NATIONAL HISTORIC SITES OF CANADA

Beaubears Island and nearby Wilson's Point form Boishébert National Historic Site. Under the leadership of Charles Deschamps de Boishébert, many Acadians found refuge at Wilson's Point from 1756 to 1760. Prior to Acadian settlement in the region the Mi'kmaq people camped on the island and were one with the spirit of the land.

Beaubears Island Shipbuilding National Historic Site is the only known, undisturbed archaeological site associated with the national significance of the 19th century wooden shipbuilding industry in NB.

photo: Parks Canada

## *Making the Most of Your Visit*

- Plan to spend at least one hour exploring the island.
- Guided Island tours and boat charter services are available from June to August.
- Experience the island's natural beauty while walking and picnicking among 200-year-old White Pines.
- Visit Parks Canada's commemorative plaque and the Friends of Beaubears Island Interpretive Centre on the South side of Beaubears Island.

## *How to find us*

# FUNDY NATIONAL PARK OF CANADA

At Fundy National Park, the giant tides of the bay mark nature's subtle cadence. Take advantage of the Park's natural setting, explore the forests, and discover the creatures of the intertidal zone. Spectacular panoramic views of the Bay of Fundy, coastal cliffs and rolling forested hills are yours at Fundy.

## Activities

### *Interpretation*

Interpretation programs are offered throughout the summer. Learn the secrets of the giant tides, sing along at a campfire or discover the park's rich heritage at an evening program. Schedules are posted throughout the park.

### *Hiking*

With 120 km of trails, hiking is one of the most popular activities at Fundy. You can experience cool, mossy valleys and evergreen-scented forests, travel along trails that lace the shores of the majestic Bay of Fundy, or discover one of the Park's many beautiful waterfalls. Trails range from 0.5 km to 10 km and by following 50 km of linked trails, you can complete the Fundy Circuit.

# KOUCHIBOUGUAC NATIONAL PARK OF CANADA

Located on New Brunswick's eastern shore, the Park stretches along the Acadian Coast. Kouchibouguac (pronounced koo-she-boo-gwack) boasts the warmest salt water north of Virginia. The Park is home to the endangered piping plover, and Tern Island is home to the second-largest Common tern colony in North America. Pitch your tent and take the family for an unforgettable adventure. Cycle along fantastic bicycle trails. Walk along endless stretches of sand dunes and watch for grey seals resting on offshore sandbars.
