PARK LODGE JASPER, ALTA.

Showplace of the Canadian Rockies

Jasper

PARK LODGE

ONE visit to Jasper Park Lodge will convince you that this is North America's foremost resort. You will see, first of all, its peerless alpine setting. Here is a community of cabins, set in a mountain valley and surrounded by some of the most impressive peaks in the Canadian Rockies. Such famed attractions as the Columbia Icefield, Maligne Lake and Mount Edith Cavell are only a few hours' drive away. Rivers and lakes, fed by mountain springs and snows, are everywhere. Here is a natural playground, scarcely touched by the hand of Man.

Man has, however, applied an expert hand in and around the Lodge itself. The cabins' thick cedar logs reflect the rugged characteristics of their mountain environment. Gardeners have captured Nature's colors in floral gardens and landscaped lawns.

Every convenience of urban living is in the Lodge — restful furniture, carpeted floors, delicious meals and matchless service. A barber shop, beauty parlor, newsstand, post office, bank, snack bar, ballroom and recreation room are in the Central Building, the heart of the Lodge.

Outdoor enthusiasts really enjoy Jasper. They may golf on a championship, 18-hole course, swim in a heated outdoor pool, boat on a mountain lake, ride horseback over mountain trails, motor to scenic sites or play tennis on any of the Lodge's four courts.

This booklet will be a big help in planning your Jasper vacation. Your nearest Canadian National agent will be a big help too — in arranging your travel details and reservations at the Lodge.

Have a good time on your Jasper holiday!

SIGHTSEEING MOTOR DRIVES

NOTE:—Starting point of all sightseeing drives—Main Entrance, Jasper Park Lodge.

The Station Agent at Jasper will make arrangements for railway patrons, who are not guests of the Lodge, to be taken from the station in Jasper Park Lodge motor equipment on any of the scheduled drives, Nos. 1 to 8 inclusive. Regular rates will apply.

Departure hours and schedules for these drives have been carefully planned to permit visitors to view without haste the scenic wonders of the Park.

No. 1: General Drive—Thirty-five miles return. Motors leave the Lodge at 9:15 a.m. and 2:30 p.m. Time, approximately 3 hrs. Bus fare per person, \$4.00.

This drive embraces a wide variety of valley, lake, canyon and mountain scenery and includes a visit to the Fish Hatchery and a side trip to see the bears. The route, after following the Athabaska River, skirts Lakes Annette and Edith before gradually ascending the roadway to Maligne Canyon. From this vantage point the tourist stands in awe before the snow-capped grandeur of lordly mountains and the mighty sweep of the Athabaska Valley, which loses itself in endless vistas of alpine beauty. Maligne Canyon, a tremendous gorge descending to a depth of 188 feet, and remarkable for its potholes, is a never-ending source of wonder and amazement. On the return journey the Athabaska River is followed to its junction with the Maligne River, where a stop is made to view the Government Fish Hatchery; from here the route continues over the Athabaska River bridge to join the Main Highway to Jasper, where a glimpse is obtained of "the Raven", one of the largest totem poles in existence. Continuing along to the foot of Pyramid Mountain and passing en route Lakes Patricia and Pyramid, the drive again runs through Jasper before terminating at the Lodge.

No. 2: Glacier of the Angel (Mount Edith Cavell)—Forty-four miles return. Motors leave the Lodge at 9:15 a.m. and 2:30 p.m. Time, approximately 3 hours. Bus fare per person, \$4.00.

Offering excellent motoring, this drive by a course of wide-sweeping switchbacks reaches an altitude of nearly 2,000 feet above the floor of the valley and gives the tourist an ever-changing series of strikingly, beautiful panoramas. The highway, terminating at the foot of the famous glacier, affords an excellent view of this vast field of living ice. *The highest point reached on this drive is 6,300 feet above sea level.* Light lunches and refreshments can be obtained at the Tea Room, near the foot of the Glacier.

No. 3: Miette Hot Springs and Fiddle River Canyon—Eighty miles return. Motors leave the Lodge at 8:45 a.m. Time, approximately 4 hours. Bus fare per person, \$6.00.

The route, after skirting the shore of Lake Mildred, follows the Athabaska River, which it crosses to join the Inter-Provincial Highway, whence it extends for miles down the Athabaska Valley to Jasper Lake and beyond to Punch Bowl Falls. A short stop is made to view this unique waterfall and then the trip continues along the rim of the Fiddle River Canyon for another eleven miles before finally reaching the famous Miette Hot Springs. At this point, hot sulphur spring water, varying in temperature from 79 to 128 degrees F., comes boiling out of the mountain side. Motors will remain long enough to permit bathing in the pool. *The highest point on this drive is 4,510 feet above sea level.*

The Miette Hot Springs consist of three main springs, which issue from the rocks along the banks of Sulphur Creek. The springs, non-volcanic in nature, owe their heat to chemical action, caused by surface water coming in contact with certain minerals in the limestone rock formation. The combined flow of the three springs reaches a total of approximately 170,000 gallons every 24 hours.

The Swimming Pool and the Steam Baths at Miette Hot Springs are operated by the National Parks Department.

The rates are:—Swimming pool—when bathing suit and towel are supplied by the Department: adults, 35¢; children, 25¢. When bathing suit and towel are supplied by bather: adults, 25¢; children, 15¢. Steam and Plunge Baths—50¢ per person.

No. 4: Columbia Icefield (Jasper-Banff Highway)—One hundred and fifty miles return. Motors leave the Lodge at 8:30 a.m. Time, approximately 7 hours. Bus fare per person, \$10.00. Minimum, 5 persons.

The drive follows the route of the Mount Edith Cavell Drive to a point beyond the crossing of the Astoria River, whence it continues along the valley of the Athabaska. From here, the route penetrates through the very heart of the Canadian Rockies to the largest and most impressive icefield outside the Arctic Circle. With an estimated area of 110 square miles, the average elevation of this amazing icefield is between 9,000 and 10,000 feet, which, because the waters of its melting glaciers travel thousands of miles to three oceans—the Atlantic, the Pacific and the Arctic—has been beautifully named "Mother of Rivers". **Unquestionably, this is America's Greatest Scenic drive.**

The highest point reached on this drive is 7,000 feet above sea level.

Luncheon will be served at the Columbia Icefield Chalet; no additional charge for guests registered at Jasper Park Lodge.

No. 6: Maligne Canyon—Medicine Lake (auto-motor boat)—40 miles return. Motors leave the Lodge at 1:30 p.m. Time, approximately 4½ hours. Bus fare per person, \$6.50.

The route is over the road to Maligne Canyon and beyond for fourteen miles to the lower end of Medicine Lake; at this point, passengers are taken on a scenic motor-boat cruise across the lake. A unique feature of this lake is that, although thirty feet deep during the summer, it completely disappears through invisible outlets in the fall of the year.

No. 7: Maligne Canyon—Twelve miles return. Motors leave the Lodge at 10:00 a.m. and 2:30 p.m. Time, approximately 1½ hours. Bus fare per person, \$2.00.

This canyon, into which the Maligne River plunges through a gorge 188 feet deep, ranks among the most extraordinary in the Canadian Rockies. The route lies over a gradually ascending roadway from which the tourist obtains magnificent views of lordly mountains and charming vistas of the Athabaska Valley. The Fish Hatchery on the lower Maligne River beyond Lake Edith is also of interest.

No. 8: Punch Bowl Falls—"A Twilight Drive"—Sixty miles return. Motors leave the Lodge at 7:00 p.m. Time, approximately 3 hours. Bus fare per person, \$3.50.

The route, after skirting the shore of Lake Mildred, follows the Athabaska River, which it crosses to join the Inter-Provincial Highway, whence it extends for miles down the Athabaska Valley to Jasper Lake and beyond to Punch Bowl Falls and Valley. Affording a very wide variety of mountain scenery, this trip is highly recommended as an evening drive. Return to the Lodge in ample time for dancing, bridge, etc.

THE MALIGNE DISTRICT

Official Outfitters—Fred Brewster's Rocky Mountain Camps Limited.

Office—Jasper Park Lodge.

In advertising the following services the Canadian National Railways and Canadian National Hotels, Limited act only in the capacity of agents; therefore, while highly recommending the outfitters to guests, they do not assume any legal responsibility whatsoever relative to the services provided.

There is no more fascinating section of the Canadian Rockies than the Maligne area which lies southeast of Jasper.

Maligne Lake itself, the largest glacial lake in the Rockies, a mile above sea level and surrounded by ice-crowned mountain peaks towering another mile into the sky, is one of the scenic wonders of North America. It is 17 miles long, with 50 miles of shoreline, and although the view from the chalet, at the lower end near the outlet to the river, is impressive, the full splendor of the lake does not reveal itself until you take the boat trip beyond the Narrows, 11 miles out. You will never pack more wonder into three hours.

It is a glorious company of peaks that rise straight from the water. Most of the mountains in the Queen Elizabeth Ranges reach an altitude of more than 10,000 feet—Sampson, Maligne, Warren on the east, Unwin, Charlton, Llysyfran and Mary Vaux on the west—and Brazeau, at the far end, tops 11,000.

As your motor boat pushes out into the lake, more and more beauty and majesty unfold. The mountains become more massive, disclosing unexpected bays and chasms, waterfalls and icefalls, wide glaciers and snow-fields of dazzling white. Ridges sharp-edged against the sky, too steep-pitched to hold vegetation, are contrasted with rolling slopes rich in green forests.

It is all as fresh and unspoiled as it was in the first days of creation. And yet there is a place here for man. He may feel like tiptoeing in awe, yet he comes here to enjoy himself. The mountains of the Maligne district, the Opal Hills facing the chalet on the east, Bald Mountain, the meadows and the alplands, are full of treasure for the trail rider, the climber and the hiker, the botanist and the student of animal life. The big game hunter—with the camera—is sure of a full bag of mountain sheep, goats, moose, deer and caribou.

THE MALIGNÉ DISTRICT (cont.)

Much of the enjoyment of holidays in the mountains depends on good food and a good bed. At Maligné Lake Chalet you get both. When you come indoors, you are welcomed by an open fire in the comfortable lounge, and when you sit down at the table — well, it wouldn't be true to say that when you go home you'll talk as much about the meals as you do about the lake and the mountains, but almost!

WHERE THE FISH REALLY ARE

"The only lake in the world with nothing in it but trout!" is the way one angler describes Maligné. He comes 3,000 miles just to fish for the fighters in these sparkling mountain waters and everybody agrees with him that they are "terrifically lively!"

Nor is Maligné Lake all. Only a step from the chalet in the Maligné River, is one of the finest casting pools in Canada, all the more attractive because it is clear of trees. There is fishing, too, in Lorraine Lake, a mile and a quarter up the Shovel Pass Trail, and in Mona Lake, two miles from the chalet.

Without additional expense, fishermen in these parts qualify for membership in the Maligné River Anglers' Club by catching a speckled trout weighing not less than a pound. They receive a bronze button. The member who catches the heaviest trout of the season is awarded a gold button, emblematic of the Club Championship, and the runner-up gets a silver button. A regulation fly rod weighing not more than six ounces must be used.

TRIPS TO MALIGNÉ LAKE

A few years ago, the only way to get into Maligné was on horseback or hiking. Now the lake is reached by motor car on the highway to Medicine Lake, 15 miles from Jasper Park Lodge. Medicine Lake is crossed by motor boat, a trip of five miles. Maligné is 12 miles farther on, the road following the tumultuous Maligné River through the forest and across the mountain meadows. Before long, the travellers get their first exciting glimpse of the snow crowns of the Queen Elizabeth Ranges encircling the great lake.

One day trip. Operates twice daily.

Leave Jasper Park Lodge at 8:00 a.m. and at 10:00 a.m., motor to Medicine Lake, take motor boat across the lake and proceed by automobile to Maligné Lake, arriving two and one-half hours later. The return journey is over the same route, leaving Maligné Lake Chalet at 2:00 p.m. and at 4:00 p.m. The trip from the Lodge to the upper end of Maligné Lake is 100 miles return. A special box luncheon, with thermos of tea or coffee, is given to guests on the 8:00 a.m. trip since they are on the boat during the noon hour. A full course noon meal is served at the Chalet for those taking the 10:00 a.m. trip. This day trip includes transportation from the Lodge to Maligné Lake, box luncheon or noon meal, scenic motor-boat trip on Maligné Lake and afternoon tea at Maligné Lake Chalet. Cost: 8.00 a.m. trip \$18.50 per person or \$14.50 per person if own transportation is supplied to Medicine Lake; 10:00

a.m. trip, \$19.95 per person or \$15.95 per person if own transportation is supplied to Medicine Lake.

Guests wishing to stay overnight or longer at Maligné Lake Chalet can leave Jasper Park Lodge at 8.00 a.m., 10.00 a.m., 1.30 p.m. and 3.30 p.m. and leave Maligné Lake Chalet at 10.30 a.m., 2.00 p.m. and 4.00 p.m.

Overnight trip.

TONQUIN VALLEY

One of the most outstanding beauty spots in the Canadian Rockies is the Tonquin Valley and the splendid range of mountains, the Ramparts, rising along the spinal ridge of the continent from Mount Fraser northward, on the western boundary of Jasper National Park where it adjoins Mount Robson Provincial Park in British Columbia.

Tonquin Valley lies verdant, wide and open, high up on the shoulders of the Divide at an elevation of 6,450 feet. Its shining waters, the vivid green of its coarse grasses, the darker greens of the pines and the brilliance of its wildflowers, contrasting with the stark black majesty of the sky-piercing peaks, make this beautiful valley a picture long to be remembered.

Near the southern end of the valley lies a beautiful sheet of water, three miles long and about a mile wide, divided by a rocky promontory into two parts, and known as the Amethyst Lakes. The name comes from the tint of the water near the shore, probably caused by vegetation. But whatever causes it, the lakes are sheer enchantment, especially when seen from a height.

And for fishermen, looking for the sport of fighting rainbows, it has still more magic.

To get into the Tonquin, you go by automobile more than half way, then on horseback or on foot. Sixteen miles from Jasper, on the road to Mount Edith Cavell, bring you to View Point. The trail in from there, ten miles to the chalet, is along the northern slope of Mount Sorrow, looking across the Astoria Valley to Mount Franchere and forward to Old Horn and the radiant Throne. After crossing Verdant Creek, the trail traverses the base of the Throne, crosses the Astoria, follows this river for two and a half miles and then, after a short climb to open country, crosses the alplands to the Amethyst Lakes. Total distance from Jasper, 26 miles.

ALL-INCLUSIVE THREE-DAY TRIP TO TONQUIN VALLEY

Operates daily July 1 to August 31, if snow conditions permit.

Leave Jasper Park Lodge by motor-car and drive to View Point at the lower end of Cavell Lake, where guides, saddle-horses and pack-horses are stationed to complete the trip. Commencing July 1, snow conditions permitting, in-going trips leave Jasper Park Lodge 9:00 a.m. first day and arrive Tonquin Valley Camp at 4:00 p.m. same day; leave Tonquin Valley Camp 9:00 a.m. on day of departure and arrive Jasper Park Lodge at 4:00 p.m. Luncheon is taken on the trail. Raincoats are not provided by the Outfitter. All-inclusive cost per person for three day round trip (transportation, meals and accommodation) at Tonquin Valley Camp: \$67.00 in cabins, and \$63.00 in canvas houses.

Since every trip involves considerable expense, including the handling of horses and the laying in of perishables and other supplies, the outfitter is obliged to protect himself against loss by requiring a deposit of \$12.00 per person, not refundable in the event of cancellation, unless a week's notice is given.

TONQUIN VALLEY CAMP

Tonquin Valley Camp, elevation 6,500 feet, situated on the Amethyst Lakes at the base of the Rampart Range, comprises a central log building containing dining room and kitchen. Comfortable sleeping accommodation is provided in cabins, and in floored and heated canvas houses. Both cabins and canvas houses are furnished with two single beds, washstand, mirror, oil burning heater, etc.

Rates at Tonquin Valley Camp: Cabin Accommodation—\$14.00 a day, \$93.00 per week. Canvas House Accommodation—\$12.00 a day, \$80.00 per week. American Plan—including meals.

Fishing boats can be rented for \$2.00 per half day, \$3.50 per day.

Saddle Horse Rates: \$4.50 per half day and \$7.00 per day. Guide charges are extra.

SADDLE TRIPS • TRAIL TRIPS • GUIDE SERVICE

Official Outfitters—Fred Brewster's Rocky Mountain Camps Limited. Office: Jasper Park Lodge

Arrangements can be made at Fred Brewster's Rocky Mountain Camps in the Central Building, Jasper Park Lodge, or at any Canadian National Railways office, for all scheduled and special short saddle trips and for guide service.

Arrangements can also be made for hunting trips during September and October.

Every effort depending on trail conditions will be made to maintain scheduled times of departure and arrival.

It is very important that visitors who intend to hike or ride the trails bring with them suitable clothing, including riding or hiking boots, woollen stockings or socks, woollen jacket or sweater, heavy breeches, flannel or mackinaw shirt, raincoat, gloves and hat or cap.

No responsibility will be assumed for the loss on the trail of valuables or personal equipment.

GUIDE SERVICE

The management recommends that no mountain, saddle or hiking trip be made without the services of a guide; parties who make trips without one do so at their own risk. The cost of a mounted guide is \$2.00 per hour, \$6.00 per half day and \$10.00 per day. One guide is required for a party numbering up to five persons; an extra one, for more than five persons. Guide charges are pro rata according to the number in the party.

The guides are fully qualified, widely experienced and thoroughly dependable.

RATES FOR SADDLE-HORSES

Note: For a horse or guide one day consists of not more than nine hours and not more than twenty miles.

SADDLE TRIPS

NOTE: Raincoats are not provided by the Outfitter.

Saddle Trip No. 1: Sawdust Trail—The trail leads through pine and fir forests, by lake shore and river bank, skirts the golf course and ascends to the bench below Signal Mountain offering from its different vantage points ever-changing vistas of the charming Athabaska Valley. Riding time, 3 hours.

Saddle Trip No. 2: Maligne Canyon—The route is over the back trails away from the motor roads and follows the Athabaska Trail, traversing the entire length of Maligne Canyon. Riding time, 3 hours.

Saddle Trip No. 3: Golf Course and Old Fort Point (Hudson's Bay Table Top)—The route skirts the greater part of the golf course, proceeds up the Buffalo Prairie Trail to the top of the ridge and out on to Old Fort Point. This trip affords a splendid view of the Athabaska Valley and mountains on both sides of the upper river. Distance, 7 miles return. Time, 2 hours.

Saddle Trip No. 4: Caledonia Lake—Fourteen miles return. A small lake lying on a rocky bench above the Miette River, Caledonia Lake is reached by following the Miette road to Cabin Creek Bridge. Here the trail

branches off and follows the left bank of Cabin Creek. Riding time, 4½ hours.

Saddle Trip No. 5: Pyramid Lake—Sixteen miles return. This trail leads the rider through Jasper, ascends the hill to the north, crosses Cottonwood Creek Valley and then passes along the ridge above Pyramid Lake. Riding time, 5 hours.

Saddle Trip No. 6: Buffalo Prairie-Wabasso Lake—Twenty miles return. An interesting trail winding through beautiful scenery. Excellent fishing in the lake waters. Riding time, 5 hours.

Saddle Trip No. 7: Maligne Lake and Sky Line Trail Trip—For those who enjoy riding at a high altitude, this trip offers a new and exhilarating experience. *If snow conditions permit, the trip will be operated between July 10th and August 31st.*

First day—leave Lodge at 8:00 a.m. or 10:00 a.m., motor to Medicine Lake, take motor boat across the lake and proceed by motor car to Maligne Lake Chalet.

Scenic motor boat trip to the upper end of Maligne Lake (34 miles return) can be taken during the day.

Second day—leave Maligne Lake Chalet at 9:00 a.m. with guide and saddle-horse, cross Maligne River via the saddle-horse bridge, follow the Shovel Pass Trail over the northeast shoulder of Bald Mountain to the Evelyn Creek ford and proceed up the long, easy slope to the summit of Little Shovel Pass at timber line. From the summit of Little Shovel Pass the rider gets a splendid view of the four miles of alpland to be traversed before making the last climb to the summit of Big Shovel Pass (8,000 feet). An easy descent across the shale slopes brings the rider to the overnight camp at Shovel Pass—a distance of 14 miles.

Third day—the route leads upward from Big Shovel Pass to the Sky Line of the Maligne Range and for more than two miles maintains an altitude of eight thousand feet. The high altitude and peculiar location of the trail offers the rider in clear weather a magnificent view of the mountains in all directions. This is, beyond doubt, the most comprehensive panorama obtainable from a saddle and is comparable to that of the Grand Canyon of Arizona. After a short stop for lunch in the basin at the rear of Tekarra Peak, the rider continues around the east and north base to the top of Signal Mountain. The descent from Signal Mountain to the Lodge is made over the regular Signal Mountain Trail.

This is a three-day trip, two days on the trail. Cost: transportation between Jasper Park Lodge and Maligne Lake, scenic motor boat trip on Maligne Lake, three meals and one night's accommodation at Maligne Lake Chalet—\$25.25 per person in cabin accommodation and \$23.25 per person in canvas houses. In addition, the cost of the saddle horse trail ride portion of the trip is \$35.00 per day for the first person, and \$15.00 per day for each additional person. In other terms, the cost for one person would be \$95.25 in cabin accommodation at Maligne Lake Chalet and \$93.25 in canvas houses.

This trip can be taken in reverse, viz. from Jasper Park Lodge over the Sky Line to Maligne Lake Chalet.
