

# POINTS OF INTEREST

With over 11 000 km<sup>2</sup> of wild and lush terrain, it's safe to say Jasper National Park is rather large. The best way to explore this incredible landscape is to take a day and explore each of its 5 major regions:

1 Around Town, 2 Maligne Valley, 3 Edith Cavell and 93A, 4 Miette Hot Springs and 5 the Icefields Parkway. Each of these regions contain very unique terrain, water ways, wilderness and facilities.
